## **City of Conover Planning Board**

Do you live in Conover city limits and want to volunteer to support your community? Consider submitting an application to serve on the Conover Planning Board! The Conover Planning Board advises the City Council on planning and zoning issues in Conover.

The Board also reviews plats and other land subdivisions, studies site plans for commercial and industrial buildings, and provides recommendations for rezoning requests, and conditional zoning applications. The recommendations regarding these matters are then presented to City Council for final action. The same members of the Planning Board also serve on the Conover Zoning Board of Adjustment. The Board of Adjustment hears appeals from residents and businesses for zoning regulations. Make an impact on the future of your community!
